Profile

My name is Quentin Willemstein, I am a software developer and student from The Netherlands. I work with passion on development projects and I am keen on learning new skills which I can use later on.

Work Experience

Sales Employee

KARWEI Steenbergen

APR 2024 - Current

I currently work part time at the hardware store Karwei in Steenbergen. This job is next to my studies.

Education

Software Developer

Grafisch Lyceum Rotterdam

2023 - 2026

I currently study software development at Grafisch Lyceum Rotterdam, I'm focusing on front-end development and C# development.

VMBO-TL

Roncalli SG

2019 - 2023

I have done high school at Roncalli in Bergen op Zoom, Here I've gotten my VMBO-TL High school diploma.
